VI. Additional Issues of Federal Legislative Importance (cont.)	D. <u>Transportation:</u> 1. Support efforts to protect and enhance federal funding for the City of Long Beach, Port of Long Beach, and Long Beach Transit, for mass transit, transportation projects, and needed infrastructure. 2. Encourage recognition of infrastructure demands placed on Long Beach due to the movement of goods through our City and region. 3. Sponsor legislation which provides funding for a study to (1) assess mobile and stationary pollution sources that impact the environment within regions housing major ports, (2) to determine the benefits of specific endeavors implemented to combat regional pollution, and (3) determine the impacts of goods movement on the infrastructure of these regions. 4. Pursue appropriations for streetscape improvements on major city corridors, including Anaheim Street, 7th Street, Santa Fe Avenue, Ocean Boulevard, Long Beach Boulevard, Atlantic Avenue, Willow Street, and Pacific Coast Highway.
	E. <u>Unfunded Mandates/Local Control:</u> 1. Oppose any legislation that places a federal mandate on the City without providing the funds necessary to carry out the program. 2. Support legislation that protects and/or expands the City's authority and rights over its affairs.
	F. <u>Water Department:</u> 1. Support legislation and other initiatives that are feasible, equitable and employ accepted scientific industry standards, and oppose those which do not, to enhance the water quality and reliability of the City of Long Beach's Water Department. 2. Support legislation and other initiatives to acquire Federal funds for ocean desalination, expanded use of reclaimed water, and other Long Beach Water Department projects. 3. Support legislation and seek grants to fund new technology and equipment, improve existing technology and equipment, and replace obsolete technology and equipment for the Long Beach Water Department.
	G. <u>Municipal Elections:</u> Support efforts that enable cities to maximize their ability to efficiently and effectively administer local elections.
	H. <u>Stormwater/Water Quality:</u> Support legislation and pursue funding for Total Maximum Daily Loads (TMDLs) and federally-mandated Municipal MS4 NPDES Permit compliance measures.
